This is Kelly from the Sussex County club. I'm trying to liquidate the estate of a deceased Ham to help his family with some bills. I have the following items available for sale and pickup in either Wantage, NJ or Stillwater, NJ (the tower and two steppir antennas are in Stillwater). Would you do me a favor and send this out to your membership? Anyone interested can contact me at kelly@catcorner.org. Pickup at our Hamfest on Sunday the 15th can also be arranged.
